

NailClear[®] Nail Clarifying by FUNGICURE[®] Liquid Gel

NailClear starts working with the very first application. Applied directly to the nails, **NailClear** helps remove unsightly nail discoloration. **NailClear** revitalizes, conditions and improves the overall appearance of finger and toe nails. Regular use of **NailClear** leaves nails looking and feeling healthier.

Directions:

Read all package directions before use. Apply **NailClear** directly on the nails with the **NailClear** QuickBrush applicator. Apply a thin layer as needed. Intended solely for use by adults 18 years of age and older. Those with highly allergic skin should test first on one nail or a portion of a nail before broader application to make sure the product is well tolerated.

This product is for external use only. When using this product avoid contact with the eyes. Stop using this product if irritation occurs. **Keep out of the reach of children.** If swallowed, get medical help or contact a poison control center right away. **Ingredients:** Isopropyl alcohol, Acetic acid, Tea tree oil, Hydroxypropylcellulose and Undecylenic acid. **Questions? 1-800-792-2582**
